# A MESSAGE FROM THE LLHM TEAM

## **“Thank you for your interest in the 2021 *London Landmarks Half Marathon*.”**

*Building on the success of 2018 and 2019 we are delighted to be able to offer your charity the opportunity to partner with an award-winning running event like no other.*

*After a very challenging few months for both the charity and event sectors, we are more excited than ever to be launching the 2021 edition of the event and coming together for a very special race day on Sunday 23 May 2021. **However, please note that as much as we hope that LLHM 2021 will go ahead as planned, all activities mentioned in this brochure, including the planned date, format and capacity, will be subject to government guidance and social distance restrictions. We have added this symbol \* throughout to mark activities which could be subject to change.***

*We're excited to let you know about a couple of new and exciting changes for LLHM 2021. We're pleased to announce the launch of a new three-year partnership with The Great Run Company as our event delivery partner. The Great Run Company own and operate the Great Run Series and are the UK's largest mass participation sport business, organising a series of nationwide running events including the Great North Run, Great Manchester Run and Great Bristol Half Marathon.*

**“Everyone at the Great Run Company has been so impressed with the creativity and innovation of the London Landmarks Half Marathon. We are looking forward to bringing our 40 years of operational experience and expertise to the event and supporting the LLHM team in the next phase of development”**

*Nicky Homes, Great Run Company*

*We will also be introducing a new theme for 2021! While your supporters run past some of London's most spectacular landmarks, we will be shining a spotlight on the landmark moments of how we came together as a nation during the Covid-19 pandemic. Turn to page 5 to find out more.*

*Having delivered hugely successful events since 2018, we're so pleased that over 200 charities have benefitted from the LLHM to date. We hope that you will choose to partner with us in 2021 to achieve your fundraising goals and capitalise on the demand for places in this very special event.*

*Thanks for your support and we look forward to working with you.*

## THE GRAND. THE QUIRKY. THE HIDDEN.

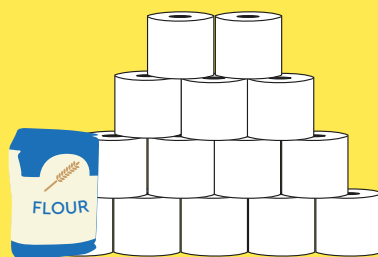

The **LLHM** usually celebrates not only London's grand iconic landmarks, but also its quirky and hidden history and gems. However, following the global Covid-19 pandemic, **LLHM 2021** will be re-themed to celebrate, commemorate and reflect upon the landmark moments of 2020, shining a light on how we came together as a nation during this unprecedented time.

### THE GRAND.

We will celebrate the grand, heroic and incredible actions and services delivered by our nation's key workers. From the NHS and teachers, to postmen, cleaners, delivery drivers, scientists and beyond.

### THE QUIRKY.

We will bring to life some of the quirky, light-hearted and sometimes bizarre moments of lockdown life. From home-schooling and Zoom quizzes, to sourdough starters, flour shortages and PE with Joe, we'll be trying to make runners smile along the route.

### THE HIDDEN.

We will remember the daily kind gestures of neighbours and small sacrifices made that went unseen. From delivering food and medicine to each other, to sharing a socially distanced cup of tea (or g&t!) on nearby doorsteps and gardens. We will honour how we made it through a time like no other with true community spirit and togetherness.

MEMORY MILE

### SPECIAL TRIBUTE:

We will also dedicate a mile of the route to running in memory of our loved ones who passed away during the pandemic, many of whom we were unable to pay tribute to at the time.

We will also continue to use the race as an opportunity to celebrate London's wonderful culture and communities, by reaching out to brilliant performers, volunteers and community groups across the capital to entertain and support runners along the route\*

# OUR COMMITMENT TO OUR CHARITY PARTNERS

## The **LLHM** is an exciting fundraising event, organised for charities, by Tommy's.

As a charity you are at the heart of the **London Landmarks Half Marathon**. It is important for us to show you that we are committed to delivering the best possible event for you and your runners, whilst also helping you raise amazing amounts of money for your causes.

Demand for places in the 2020 **London Landmarks Half Marathon** was overwhelming, with over 215 charities benefitting from being official partners.

The **LLHM** Team aims to go above and beyond expectations of other partnerships as we promise to (amongst others):

- Provide clear and frequent event updates through (at a minimum) monthly partner update emails.
- Recognise the value of our charity partners and their runners by celebrating their success through initiatives such as the provision of special number bibs and the Charity Mascot Relay.
- Enhance your runner's journey from sign-up to post-event through securing partnerships and sponsors that exclusively benefit **LLHM** participants.

# Why be a London Landmarks Half Marathon 2021 partner?

## FUNDRAISING

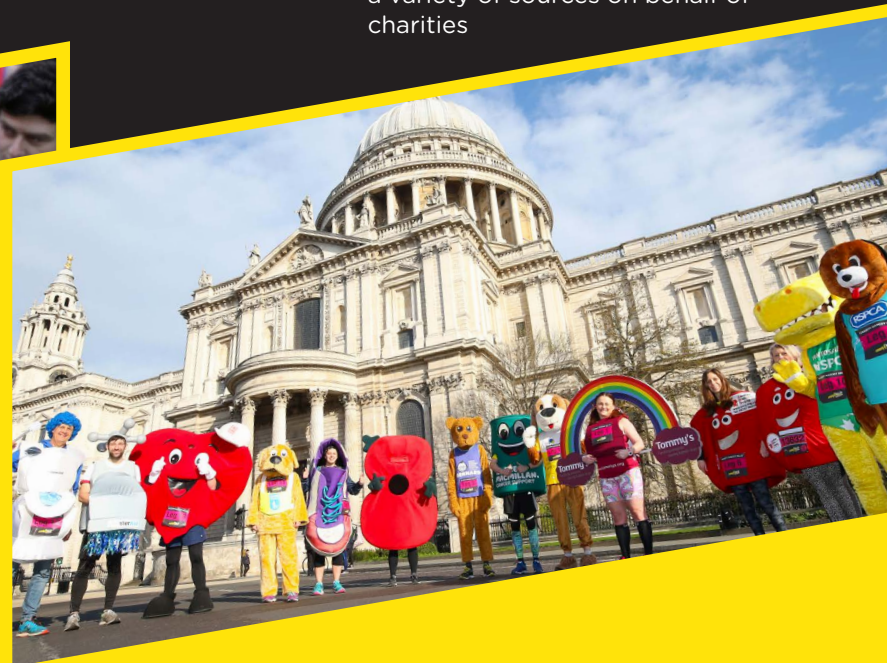

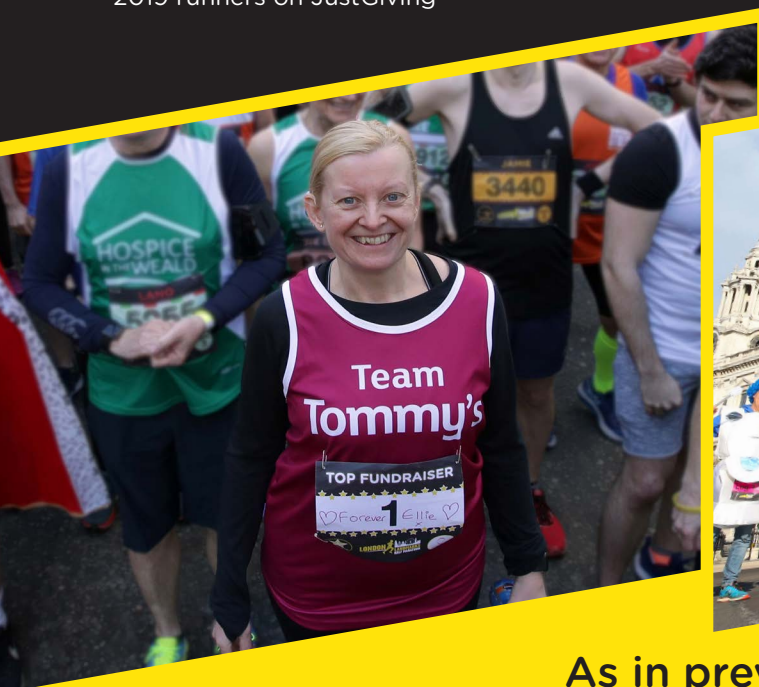

- A fabulous fundraising opportunity
- £15+ million raised to date in two years for over 220 charities
- £667 - Average raised by LLHM 2019 runners on JustGiving

## AWARENESS

- Recruitment and engagement opportunity
- Marketing & PR opportunities

## PUBLICITY

- Raise awareness of your organisation both locally and nationally
- LLHM 2020 secured coverage with a variety of sources on behalf of charities

As in previous years, the **LLHM** offers opportunities to boost awareness and aid fundraising for charity partners.

### Special Bibs

Offering in-demand bib numbers to charity runners shows that we care about your runners and their journey. We ask our charity partners and runners to share their outstanding fundraising accomplishments as well as their unique stories.

### Bibs 1-5

We save the 1-5 race bibs to celebrate runners who raise fantastic amounts of money through JustGiving. In 2020, Charlotte Knight was awarded the number 1 bib after raising £6,964.71 for CLIC Sargent. We also celebrated her success by awarding her a free place in LLHM 2021.

### Bibs 6-10

Bibs 6-10 are awarded to those who have inspiring or unique fundraising stories. Runners wearing these bibs in previous LLHMs include Steve Robison (running for Macmillan Cancer Support) who set a new Guinness World record when he ran the LLHM dressed as a cancer awareness ribbon. He also raised £635 for the charity.

# YOUR RUNNER'S EXPERIENCE

## The LLHM Runner Experience

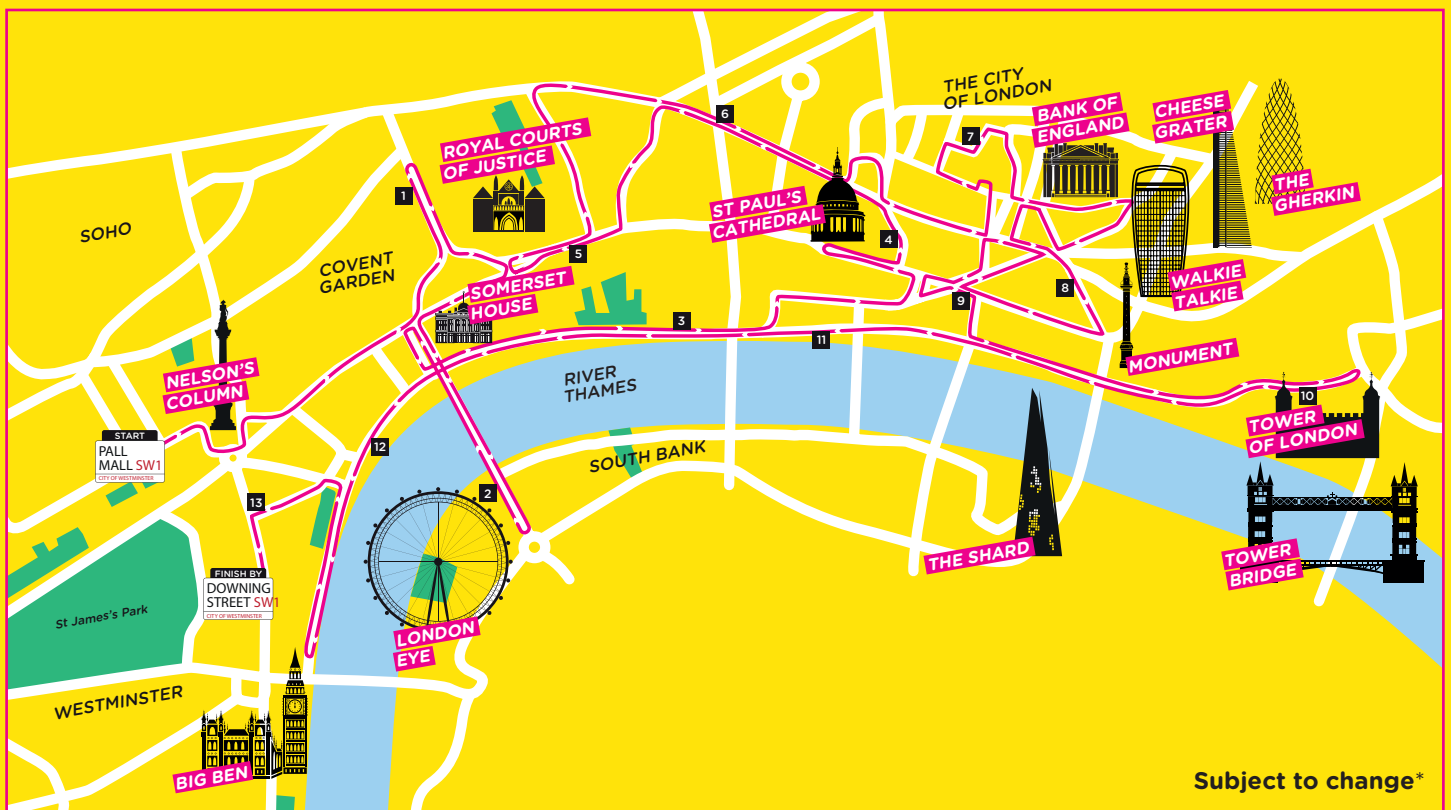

The event is not your average half marathon! Passing the best of London's iconic and cultural landmarks, your runners will get to explore the capital on a route like no other!

## Our Magnificent Route:

**A Royal Start:** The race starts on the beautiful **Pall Mall** alongside the royal residence of **St James's Palace**.\*

**Along the Route:** Your runners will pass some of the Capital's most iconic landmarks including St Paul's Cathedral, Nelson's Column, Monument and the Tower of London.

**A Stately Finish:** Your runners will be rewarded with a stately finish on **Whitehall** just outside **Downing Street**. We can't promise that the Prime Minister will be there to greet everyone! But we can promise an outstanding finish line with views of London's must-see icons **Big Ben** and the **London Eye**.

# BRINGING LANDMARK MOMENTS TO LIFE

Along our amazing route, runners will be immersed in our celebration of The Grand, The Quirky and The Hidden landmark moments of lockdown life. We will create interactive activations that will engage, entertain and inspire your runners as they pass.\*

Here are some of the ideas the **LLHM** team are currently working on\*:

## **The Memory Mile**

Providing participants with the opportunity to run a mile in memory of those who passed away during the pandemic.

## **The Clapping Tunnel**

Reliving the weekly #ClapforCarers, runners will be encouraged to show their support for the nation's key workers.

## **Hero Highway**

Filling the route with dedications and thank you messages, we will be showcasing our hero key workers.

## **Supermarket Sweep**

Bringing to life the superhero supermarket workers, we will be shining a light on the brilliance of our shelf stackers, security guards and delivery drivers.

## **Quiz Corners**

A throwback to the days of endless Zoom quizzes, we will be stretching your runners' trivia knowledge with quirky quiz questions along the route.

There will of course still be the classic **LLHM** favourites for runners to enjoy such as The Rave Tunnel, the Bow Bells at St Mary-le-Bow Church and the prestigious Pearly Kings & Queens\* and Chelsea Pensioners\* greeting runners at the Finish Line.

# SHOWCASING CULTURE AND COMMUNITIES

## On top of our activations your runners can enjoy...

### Music and Dance Performances\*

The LLHM celebrates musical talent from across the capital. We offer runners a soundtrack of pulsing pop, sensational samba and reggae rhythm to keep them motivated. Over the last three years, we have partnered with some very talented youth groups, universities, schools and community groups across London to showcase the best of the capital.

Runners have the chance to experience outstanding performances from rising stars and have a brilliant time singing along as the miles tick down. And to top it off there are amazing performances of vibrant swing dance, mesmerising street dance and graceful contemporary too.

# LLHM RUNNER'S FEEDBACK

Each year we do everything we can to offer an enhanced race experience and because of this, we place great value in our runners' feedback.

Here's what some of our participants have said about their London Landmarks experience.

Truly the 'happiest' half marathon ever. I smiled all the way, what a wonderful experience.

The support along the route was just incredible. This was my first ever half marathon and I was dreading it as I'm not a strong runner. This event converted me and I have already pre-registered and signed up to another half marathon. The atmosphere and support from the charities and people all along the way made such a huge impact!

The whole event was just outstanding and incredibly well organised. Truly a fabulous day. The support from the crowds was just phenomenal along with the cheer stations.

Best organised race I've ever done. I hope I get to do it next year. LLHM you rock x

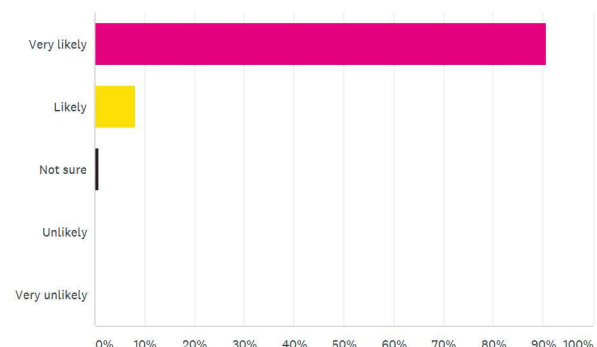

Everything was just perfect. Despite dreading the whole race the day before, it was one of the best and enjoyable races I have ran. The crowd were amazing, the whole atmosphere was fantastic. The weather was perfect, the sun was shining, and everyone was just happy to be there.

I have never run a half marathon before. The crowd atmosphere and support from all charities involved was amazing. The bands were a real highlight and the music was incredible - that really got me through the final miles and the whole run. Thank you everyone! The Lucozade and water really kept me going! Thank you for such a wonderful day and event!

Running with such an amazing atmosphere thanks to the crowd - I loved all of the stations and it really got me through the course.

# THE CHARITY EXPERIENCE

Take a look at some of our previous themed charity cheer stations that celebrated London's history and culture, as well as keeping runners inspired and motivated.

## Charity Partner Commitments

Working together we can make your runners' **LLHM** experience something to shout about. As part of our partnership we ask you to:

### 1 Host A Themed Cheer Station

Your runners will be supporting you on race day, now you can support their race too! As charity partners of **LLHM** we ask you to embrace the spirit of our new 2021 theme with a cheer station celebrating the landmark moments of lockdown life. Whether it's showing your gratitude for the key workers, celebrating home-schooling or re-creating a neighbourly street party, we ask you to get creative with The Grand, The Quirky and The Hidden to support your runners.

We believe it is important to show our runners how much we value them, and seeing you cheer them on during the race makes the event even more special for them.

Please note that if social distance restrictions are still in place in March 2021, cheer station plans may alter. It may not be possible for you to have a cheer station or you may be asked to create a socially distant cheer station to adhere to government guidance.

# THE CHARITY EXPERIENCE

## 2 Provide a Fundraising Total

We need to show the value of the **LLHM** to our stakeholders, so post event we'll be asking you to let us know how much your team raised. Providing this information will help secure the London Landmarks' future.

## 3 Give Charity Feedback

We also value your voice. Being a part of the London Landmarks is an opportunity not to be missed and we want to keep it this way. A short post-race survey helps us make your experience as a charity partner: more practical, simpler and more valuable. Here is what some of our charity partners have said about their partnership experience with **LLHM**:

# LLHM CHARITY PARTNER FEEDBACK

This is not an event to miss, the atmosphere on the day is lively, quirky, buzzing and all round brilliant. Themed charity cheer stations and the encouragement around the course really brings the event to life.

The support and information provided to you from the London Landmarks organisers is second to none, and they are always on hand to help you with any questions or queries you may have. I cannot fault the day or the experience overall, which was extremely well organised.

**Rhianne, Cardiac Risk in the Young**

We love LLHM because it encourages creativity and brings a fresh approach to running events. Every one of our runners had a fantastic time ("Best half I've ever run" was a common response!) and the LLHM team are so communicative and helpful it made being a part of the event really exciting! Well done to the organisers on another brilliant event.

**Anna, St Joseph's Hospice**

An amazing opportunity for charities to give their participants a fresh and new fundraising opportunity!

**Caitlin, Pancreatic Cancer UK**

The *London Landmarks Half Marathon* has quickly become one of the most important and successful events in our portfolio. If you're thinking about getting involved, don't think, just do.

**Jermayne, Prostate Cancer UK**

Even as a small charity with the minimal number of places in the event, LLHM gave us all the support we needed. They were always really helpful and prompt in answering any queries we had. The race has had amazing feedback from runners and volunteers and we thoroughly enjoyed the unique atmosphere they've created!

**Kat, Sarcoma UK**

Highly recommend this event for charities. The event team are a 'cut-above' and have been a joy to work with, making the promotion & running of the event simple & straightforward

**Marie, Action Duchenne**

LLHM is a fantastic event that really puts charity involvement and the runner experience at the heart of everything they do!

**Simon, Macmillan Cancer Support**

# BECOME A 2021 CHARITY PARTNER

We encourage charities big and small to get involved in **LLHM**. We have 6 partnership levels depending on the number of places you would like to apply for.

We want to ensure as many charities benefit as possible from the event, so have set a maximum number of Big Ben, St Paul's and Tower of London partners.

- **LLHM places cost £137 each and cannot be rolled over.**
- **Please note that the capacity of LLHM 2021 is still to be agreed with stakeholders and we may be required to reduce the number of places in each category.**
