IMPORTANT ROAD CLOSURE INFORMATION SUNDAY 02 APRIL 2023

On **Sunday 2nd April 2023** the very special sixth edition of the **London Landmarks Half Marathon** will take place.

The event is organised by baby charity, Tommy's (www.tommys.org) to raise crucial funds for themselves and around 450 other charities. Last year's event raised over £7.5million which we hope to achieve again in 2023. While participants run past some of London's most iconic landmarks, the race route will also shine a spotlight on London's rich history and quirky and hidden gems.

The 100% not-for-profit event will involve some essential road closures in your area. Please check this document for details and timings.

Emergency services and pedestrian access will be facilitated throughout, but there will be no vehicle or bicycle access on the directly affected roads during the closure period. A number of bus route diversions will be in place - please visit tfl.gov.uk for more information.
